Portage Work Experience Program Participant Application Form

Portage Work Experience is an employment program offered through Portage Learning & Literacy Centre, and is designed to help youth overcome barriers to employment. Participants are compensated at minimum wage for completing four weeks (120 hours) of pre-employment training, followed by approximately twelve weeks (450 hours) of full-time work experience that will enable them to develop a broad range of skills and knowledge relevant to the current and future labour market.

The pre-employment training sessions have set start dates throughout the year. Please contact the Program Coordinator for further information about when the next session will begin.
